

OPHIDIAN 2350/2360 COMPATIBILITY REFERENCE

Card Types:

Gladiators - These are played as normal. A 2350 Gladiator's Discipline Level(s) are equal to their current Level.

All Strategy Cards - The Level of the 2350 card indicates the Discipline Level required to play it. These cards do not have multiple Discipline Level requirements, all additional requirements beyond the first require a Level 0 or greater Discipline.

Minions, Pumps, and Quick-Hits are all played as normal.

Zones - While these cards have not been introduced in 2360, 2350 Zones can be played using 2350 rules.

Other Rules:

The Flow is synonymous with **Momentum**.

All **DR OR R** cards and abilities are considered **R**.

Credit Points are synonymous with **Resources**.

Play Cost is synonymous with **Resource Cost**.

Arsenal is synonymous with **Strategy Deck** or **Deck**.

Scrapyard is synonymous with **Discard Pile**.

Scrapped means **Discarded** when from hand, and **Destroyed** when from play.

If a card has appeared in more than one set, the most recent printing has priority, and all previous printings should be played as if they are the most current printing. Any 2350 card that has been reprinted, by card name, should be played as the 2360 version with the following exceptions:
